

## CLASS DESCRIPTIONS

**Archery** –Learn the basics of shooting a bow and arrow.

**Arts & Crafts**- Make various crafts during the week to remember camp.

**Canoeing**- learn canoeing safety, basic skills and water games; use canoes on a lake

**CIT Training** – Open to only Counselors in training- We will learn about leadership in preparation to being a future camp counselor

**Fishing**- Learn the basics of fishing, including how to bait a hook, cast a line, and reel in their catch. Whether you're a first-time angler or looking to improve your skills, this class is for you.

**Free Swim**- Spend some extra time with your camp friends in the pool!

**High Ropes** –Learn to rock climb, wall safety and skills for climbing; learn zipline safety; climb 40-foot mock rock wall and zipline down the other side.

**Indoor Cooking**- No campfire? No problem! Learn how to make delicious camp-inspired meals and snacks—all indoors! From no-bake treats to skillet favorites, young chefs will explore simple cooking techniques, food safety, and creative ways to bring the flavors of the outdoors inside.

**KY Wildlife**- Discover the amazing wildlife that calls Kentucky home! Learn about the state's native animals, from soaring birds of prey to furry forest critters. Through interactive games and touchable artifacts like pelts, explore local habitats, animal tracks, and wildlife's important role in our ecosystem.

**Low Ropes**- Learn leadership and team building skills as you navigate through a ropes course 1-4 feet off the ground.

**Media** – A class for camp photography!

**Nature**- Learn about nature and take hikes on trails around camp.

**Nature Art**- Learn how to use items found regularly in nature to produce art products.
